

UMA MINI

The revolutionary UMA Mini Sound Lantern redefines the portable lantern for the modern age. Fusing state-of-the-art Warm Dim LED technology with 360° high fidelity surround sound, UMA provides a one of a kind portable light + sound experience, integrated seamlessly into a strikingly elegant design. UMA Mini pairs touch sensitive volume control with an intuitive full-range light control dial and features Bluetooth connectivity to stream the highest quality audio wirelessly from any mobile device. Invoking the primal symbol of the lantern and the warmth of a campfire, UMA is the perfect centerpiece for social gatherings and intimate moments indoor and out.

UMA MINI

DESCRIPTION

Introducing UMA Mini, the newest addition to the UMA family, now more portable than ever to travel with you anywhere you go. The revolutionary UMA Mini lantern takes all its cues from its big sister UMA, fusing state-of-the-art LED technology with 360° high fidelity surround sound, while boasting a party mode feature that allows for pairing up to 24 units simultaneously via Bluetooth to create the perfect ambiance. UMA Mini also features touch sensitive volume control and 2 soft light level settings to set the perfect mood. Invoking the primal symbol of the lantern and the warmth of a campfire, UMA Mini is the perfect centerpiece for social gatherings at home, restaurant lounges, and any outdoor setting.
